

National Donor Deferral Registry Application for Number

This form is to be used when opening a new plasma center that needs to be established in the National Donor Deferral Registry (NDDR). This form must be submitted to PPTA **no less than thirty (30) days prior to the date the plasma center will be open for operation.**

Upon receipt of this Application, PPTA will establish an NDDR number for the plasma center and notify the IQPP Corporate Contact of that number. Haemonetics Software Solutions, the company responsible for the management of the NDDR, will also be notified and will establish the new plasma center within the NDDR.
