

DHQ v1.0 – Clerical changes

Update: 1/20/11 (mm)

- 6/9/10: Fixed page 28 in FL Directions for Use by removing “No” after “defer donor for 12 months from date of contact” as there is generally no decision before “next question” (per FDA)
- 6/9/10: Fixed page 10 in Abbreviated Directions for Use by adding “No” next to “is donor deferral indicated?”, adding an arrow to “Donor Eligible” and adding a new arrow from “Donor Eligible” to “next question”
- 8/12/10: Fixed page 39 in FL Directions for Use by adding “consecutive” to question 26’s “donor eligibility” section in the flow chart – this word was missing and AABB includes this word in their questionnaire. (per FDA)
- 7/27/10: Circled “equatorial guinea” on Travel Poster II
- 8/16/10: Page 43 in FL Directions for Use – added “or France” to donor eligibility section. Added (Review the list of countries in the UK)
- 8/17/10: Page 9 in FL Directions for Use – added reference to May 2010 Guidance for Industry: Revised Preventive Measures to Reduce the Possible Risk of Transmission of Creutzfeldt-Jakob Disease (CJD) and Variant Creutzfeldt-Jakob Disease (vCJD) by Blood and Blood Products.”
- 12/10/10: Page 16 in FL Directions for Use – Revised flowchart to be consistent to AABB’s for the “Experimental or Unlicensed Vaccine or Medication”. Revision to “Defer Donor for 1 year or refer to Medical Director”
