Read and sign:

I certify that to the best of my knowledge the information contained in this application is complete and accurate.

By my signature below, I certify that this facility has implemented procedures to insure compliance with IQPP Qualified Donor Standard as approved by the PPTA Source Board of Directors effective July 1, 1997. This standard requires the facility to perform additional donor screening prior to classifying persons as "Qualified Donors" or allowing the resulting units of plasma to be sold or shipped for the production of therapeutic plasma products.

I understand that participation in the IQPP Certification program is completely voluntary and subject to compliance with all IQPP standards. I may withdraw from the Program at anytime by notifying the PPTA Source National Office or have my IQPP Certification revoked at anytime if the facility is found to be out of compliance with the IQPP Standards.
