

OFFICE OF THE GOVERNOR  
STATE OF MONTANA

STEVE BULLOCK  
GOVERNOR

MIKE COONEY  
LT. GOVERNOR

August 25, 2016

I am pleased to recognize October 9-15, 2016 as "Plasma Awareness Week" in the state of Montana.

We all commend the work of the Plasma Protein Therapeutics Association to increase scientific research and promote awareness of lifesaving plasma protein therapies. We applaud the efforts of source plasma donation centers here in Montana and the selfless acts of kindness from donors across our state.

Since proper treatment and greater medical options for those suffering from rare plasma diseases and conditions is so critical to the future health of our state, I encourage Montanans to acknowledge October 9-15, 2016 as "Plasma Awareness Week."

Sincerely,

A handwritten signature in blue ink, appearing to read "S. Bullock".
